**TWO MIRACLES**

MATTHEW CH9V18-26, MARK CH5V21-42, LUKE CH8V40-56

**One day, a man named Jairus came to see Jesus. He cried, "Jesus! Please come and heal my daughter. She is dying."**

**"If you would just touch my daughter," Jairus said, "she would be healed." So Jesus and his disciples went with Jairus.**

**A large crowd followed Jesus as he walked to Jairus' house.**

**Just then, a woman pushed through the crowd towards Jesus. She had been sick for twelve years. The doctors could not heal her.**

**The woman believed that Jesus could heal her. She thought, *I know, if I just touch his clothes, I will be healed.***

**As the woman got closer to Jesus, she reached out and touched him. She was healed at that moment! Jesus stopped and turned around.**

**“Who touched me?” Jesus asked. “I felt power go out of me.” The woman knelt before Jesus and said, “I am the one who touched you.” Jesus said, “Your faith has made you well. Go in Peace.”**

**Finally Jesus arrived at Jirus' house. The people said it was too late. His daughter has already died.**

**Jesus said, “Jairus, trust me. Your daughter is not dead. She is sleeping.”**

**Jesus told everyone to leave the house. Then Jairus and his wife went with Jesus into the girl's bedroom. Jesus knelt down beside her and said, "Wake up, my child."**

**Right away she opened her eyes and climbed out of bed! Jairus and his wife were overcome with joy.**
